## Team/League Sponsorship Form

In September 2001, the City of Asheville Parks and Recreation Department completed construction on a new state-of-the-art inline hockey rink located at the French Broad River Park on Amboy Road. In partnership with a volunteer board, the **Asheville Hockey League (AHL)** was established to provide a recreational hockey program for both youth and adults. The league is sanctioned by USA Hockey InLine, the governing body for the sport of inline hockey in the United States.

Sponsorships for AHL help to show your commitment to helping our young people learn the value of good sportsmanship, teamwork, and fair play. The AHL strives to inspire them with a goal to enrich their lives towards the day when they take their places in the world. Sponsorship dollars go to providing each player with the proper equipment, training and facilities that will make their inline hockey experience as good as it can possible be.

A **team sponsorship for \$250 per season** will provide your company logo on the front of each player's jersey, to be seen by the hundreds of fans attending the games each season. Companies or individuals may **co-sponsor a team for \$150 per sponsor**. Both company logos will appear on the front of each player's jersey. However, co-sponsors for individual teams **MUST** be submitted together. The league is not responsible for partnering co-sponsors for teams.

A **league sponsorship for \$600** will provide a signboard (size approx. 30" x 90") inside the rink with your company logo for a **one year term**, however, your support will be recognized and remembered much longer than any one season.

Thank you so much for your support of the Asheville Hockey League.
