

# Asheville Inline Hockey League

## *Fair Play Agreement*

This form should be read and understood by every parent who has children playing in this league.

### *Terms of Agreement:*

1. I will remember that children should always play for their own enjoyment, not to entertain me.
2. I will teach my children that honest effort is at least as important as winning. Probably more important, in the long run.
3. I will provide plenty of encouragement to my children as that's the best way to help them learn.
4. I will provide plenty of encouragement to other children because if they learn, it will help my child learn too.
5. I will teach my children that officials are an important part of the game and to respect their decisions (even when they are questionable decisions).
6. I will recognize the efforts put in by coaches and anyone else spending their time helping my child learn.
7. I will recognize skill and effort in other players (even on other teams), not just in my own child.
8. I will remember that children only learn what we teach them. Fair play starts at home. I will encourage my children to be good sports.
9. I encourage other parents to remind me of the above terms on those rare occasions that I forget... after all, I don't want to embarrass myself. And with that in mind, my witnesses will be other parents of children on the team.
