## 2006 - 2007 Hockey Donation Opportunities

On behalf of the Asheville Hockey League (AHL) we would like to thank you for your interest in supporting the league's travel team program. The Asheville Rapids currently consist of four teams: 16u, 14u, 12u, and 10u.

A unique opportunity is possible for companies/individuals that choose to participate with our youth hockey program as a corporate/private donator. The purpose of obtaining such donations is to allow our youth program the very best opportunity to promote continuing hockey development through competitive tournament play and supplying the necessary equipment. Due to the equipment necessary to protect our children and extensive travel to find indoor facilities, hockey can be an expensive sport. By using basic athletic fundamentals, skill and character training, our youth will be able to continue their athletic growth through these efforts.

While we will accept any level of donation, individuals who elect to donate \$300 or more will receive a plaque with a photo of our league members to proudly display wherever they choose.

Please write in your donation amount in the space provided below and send to the **address above**.

Make checks payable to: **AHL-Travel**

Thank you for your support. You have given to a group of enthusiastic children and hard-working parents who truly love this game. We are very grateful!
